Nature of Organization

"VEER JHARKHAND VIKAS SEVA MANCH" is humanitarian focal Non-Government organization dedicated to develop the lowest rung of society on Socio-Economic Ladder, and having the ambition to improve quality of life of people by Rational Application of Oriental Yogic techniques, healthy life Styles and naturopathy and helping hand to the widows and children who are deprived of love & care, Books, and Teachers, food, shelter.

Vision

A Developed & Healthy Society, free of pains & sorrows, the very foundation of which is laid on the principles of :-

- legitimate rights
- Equality
- Justice
- Honesty
- Social Sensitivity
- And Self Reliance.

Mission

At present, our organization is undertaking various activities at grass root level to give a new shape of the project area on all fronts-socio-economic and other social parameters.

In Short we have got the mission of Empowering the community and develop them by organizing different types of programmes like:

- ❖ Community health and family welfare programme
- ❖ Community Infrastructure Programme.
- ❖ Human Resource Development Programme, having thrust on skill development programme, to be conducted on wide network on through the scattered tiny NGO and Panchayat Raj representatives.
- ❖ Information interchanges network foundation.
- ❖ Provide immediate relief solution, to the people at grass-root.
- ❖ Perform Health Research and explain its benefits to the mass people.

Objectives

- ❖ Empowering communities to attain the entitlements of socio-economic, cultural, and political spheres with enjoying civil rights.
- ❖ To Research, Communicate, Identify and Wipe out the Country's Socio-economic Challenges.
- ❖ To conduct sound and feasible welfare and development programmes at remote, far-flung humanity, to join the mission to ensure India as developed nation.
- ❖ To Co-operate and join hands with the funding agencies for the high impact of following welfare and development programmes of Government and general lawful

activities.

- ❖ *To work for the eradication of illiteracy and provide quality education to all.*
- ❖ *To prevent, detect, address and resolve health problems and implement cost effective and efficient health care delivery system.*
- ❖ *To create awareness about the importance of environment and its preservation for good health.*
- ❖ *To encourage and create awareness among local people preserving their cultural and traditional heritage.*

To create better tomorrows for all in our Society.

Goal

All round sustainable development of local community through local participatory approach system.

Slogan

We help those who help themselves

Idea/Concept

Putting all experiences of social development and rural reconstruction into practice through local people participatory approach system.

Concept for further works

It has planned for future programs to –

- ❖ Improve health & sanitation condition in remote villages.
- ❖ Provide quality health services by setting up community based health centers.
- ❖ Access of high school education to rural dropout girls of backward community.
- ❖ Find out alternatives means of livelihood and income generation.
- ❖ Work for good governance and women empowerment through women's organization.

Future Plans & Programmes – Management discussion and its analysis of past achievements of the society resulted in the following plans for future:

To conduct the education programme at mass level to provide quality education to the neglected ones. The society recognizes the human resource as a major asset for overall development of the nation. But the worst part is that mass population of the nation is uneducated. The programme will include- i. Motivating children for joining school, ii. Opening educational centers in targeted areas, iii. Providing library facilities to students, etc.

To conduct health programmes and health checkup camps to attend the needy. The programme will include i. Organizing health checkup camps, ii. To aware the community for regular health checkups, opening mobile clinic, health in remote areas, development of rural health infrastructures etc.

Main Aims & objectives

The Aims and Objectives of our Society are:

- To provide Social, Educational and Economic Empowerment to Women and Children.
 - To safeguard the rights of the Child and provide for the well being of Children in need, more particularly,
 - a. Children exposed to any form of abuse,
 - b. Children deprived of education
 - c. Children suffering from ill health, physical and mental.
 - To identify the beggars and impress upon them the significance of dignified living and persuade them to take up an alternative livelihood and to take such measures so as to equip them in attaining such means of living.
 - To secure for the transgendered, their basic human rights and ensuring them a better way of life by,
 - a. Providing assistance in pursuing education.
 - b. Facilitating the transgendered in exploring employment opportunities and have them employed in an open minded work environment, where there is less or no discrimination, stigma and prejudice.
 - c. Guiding the transgendered in identifying their interests and assist them further by enrolling them in concerned vocational training programs and/or based on their individual preference, aid in establishing them as entrepreneurs.
 - d. Acquainting them with varied Government programmes, schemes and welfare measures and enlisting them into same.
 - e. Persistent sensitizing and capacity building among the general public, more particularly,
 - i. Students in schools and colleges,
 - ii. Employees in corporate houses and other organizations.
 - 6. Providing medical assistance and legal aid.
 - To identify the homeless and the destitute and facilitate their relocation in appropriate institutions.
 - To provide medical and legal aid and assistance to the old aged and to take such other measures to ensure their social well being.
 - To empower the differently abled by providing,
 - a. Medical aid and appliances;
 - b. Vocational training and employment opportunities;
 - c. Legal aid; and
 - d. Other rehabilitation measures those are necessary to ensure them a self sustained living.
 - To mentor and provide guidance to the youth.
 - To preserve and protect the environment and propagate the significance of sustainable development for maintaining ecological balance.
 - To conduct study on various social issues from time to time, gather data, and carry out research.
 - To campaign for awareness on the aforesaid issues by disseminating information among the general public.
 - To take such other measures and render services or assistance including establishment of information centres, provision for shelter homes, setting up of educational, research and training institutions, etc., to the aforesaid class of persons and other persons, as may be necessary from time to time for the betterment of society.
-

- To associate itself with any other institution, Society or Association, having objectives wholly or in part, similar to those of this Society and to co-operate with any person or body of persons in furtherance of such objectives.
- To provide Social, Educational and Economic Empowerment to Women and Children.
- To safeguard the rights of the Child and provide for the well being of Children in need, more particularly,
- To identify the homeless and the destitute and facilitate their relocation in appropriate institutions.
- To provide medical and legal aid and assistance to the old aged and to take such other measures to ensure their social well being.
- To empower the differently abled by providing,
 - a. Medical aid and appliances;
 - b. Vocational training and employment opportunities;
 - c. Legal aid; and
 - d. Other rehabilitation measures those are necessary to ensure them a self. I also working in **NGO"VJVSM"**, working with such a social Causes and helping societies for providing free education to the children for betterment for their future
